FGBC Committee Sign-up Form

Committees are the lifeblood of a successful organization. Their members do the real work of the organization as they are indispensable to an organization’s success. We encourage every member to take an active part in at least one committee. Remember that you only get out what you put into an organization and our strength depends on your involvement.

If you are interested in serving on a committee, please complete the “FGBC Committee Sign-up Form” below and return it with your Membership Application.

FGBC has two categories of Committees: Standing Committees, which are established in the Bylaws; and Working Committees, which operate under a Standing Committee and are established by the Board of Directors to accomplish specific tasks.

☐ Education Committee: Responsible for developing educational materials and programs that can be promoted to members, industry and the public. Oversees the following working committees:
  - GreenTrends Conference
  - Nominating: Oversees the FGBC election processes.
  - Program & Promotion: Responsible for membership development, communication strategies and the marketing of the Corporation’s programs. Oversees the following working committees.
    - Awards & Recognition
    - Membership Development
    - Standards: Responsible for the oversight of the standards development process, compliance with the Standards policies, and the annual review of modifications to the Standards such that the Standards remain Competitive, technically accurate and incorporate best management practices. Oversees the following working committees.
      - Green Homes
      - Green Land Developments
      - Green Affordable Housing
  - Partnerships Program
  - Fund Raising

The leading certifier of green projects in Florida

OUR MISSION
To lead and promote sustainability with environmental, economic, and social benefits through regional education and certification programs.

FGBC STANDARDS
- Residential
- Commercial
- Land Development
- Hi-Rise Multi-Family

**What’s in it for You?**

**Recognition**—Building to the FGBC standards gives your projects a marketing advantage. It shows you are dedicated to providing a product that is sustainable, healthy and efficient to operate.

**Networking**—Getting motivated by new ideas, expanding your contact base, and increasing awareness about your company are always important in a successful business. Through regional events, FGBC’s annual GreenTrends Conference, and committees, you have unlimited opportunities.

**Education**—Enhancing your professional skills demonstrates you are a leader and dedicated to providing quality services to your customers. FGBC’s publications, website and conferences keep you on the leading edge of green building.

**Low-Cost Certification Fees; User-Friendly Certification Process**

---

**The FGBC Advantage**

FGBC’s trained, independent evaluators and Certifying Agents verify that the project includes all of the green features specified.

FGBC Standards are endorsed by:
- The Florida Legislature
- The Florida League of Cities
- Florida League of Mayors
- The Florida Home Builders Association

FGBC’s GreenTrends Conference & Tradeshow draws an active green building audience of industry professionals and local government staff, so whether you need to learn about the latest cost-saving strategies, or demonstrate the value of your company, FGBC can help you discover new possibilities.
